

Index to Deaths in the *Daily Missouri Democrat*, St. Louis, Missouri: 1860

This index was created by staff of the Special Collections department. It is an index of all deaths in Missouri and Illinois mentioned in this daily newspaper, not just obituaries. The entries are listed alphabetically by surname, then by given name.

The microfilms containing the *Daily Missouri Democrat* are boxed and marked as part of the *St. Louis Globe-Democrat* microfilm set, as the *Missouri Democrat* united with the *St. Louis Globe* in 1872 and, from that date, published as the *St. Louis Globe-Democrat*. The [Tier 4 drawer list](#) indicates the specific location of the microfilm for this newspaper at St. Louis County Library Headquarters.

[Photocopies](#) of these obituaries and articles are available from Special Collections.
