

**Index to A Centennial History of
 Congregation Temple Israel 1886-1986
 [St. Louis, Missouri]**

This name index was created by the staff of the Special Collections Department to enable a search for names in this church history. The 2826 name entries are listed alphabetically by surname, then given name. These are followed by 15 entries of buildings and group photos of people not individually identified.

Indexed Source: Rosenkranz, Samuel, editor. *A Centennial History of Congregation Temple Israel, 1886-1986*. Creve Coeur, Missouri: n.p., 1986. [R296 C397] or [296 c397]

[Photocopies](#) of material listed in this index are available from Special Collections. Please note, however, pages 88 through 107 contain a listing of members of the congregation on April 8, 1986. Only the name is listed on these pages.
